Who we are

Feigangxia is a magnetic phone holder manufacturer in Dongguan, China. Mold making, injection molding, assembly and packing all run inside our own 3,500 m² plant, so a custom order never leaves our control.

Our range covers more than 100 product types — magnetic ring holders, double-sided and foldable holders, desk stands, car mounts and magnetic phone cases — and 21 of them are already on tooling and ready to order. Every model can be produced in your color, with your logo and your retail packaging.
